### **General Information:**

- Respect Group programs are optimized to provide the best possible user experience for your device. This program will run on PC, MAC, Android and iOS devices such as the iPhone and iPad.
- The Respect in Sport Activity Leader program is now available as an app for your Apple or Android mobile device. To use the Mobile App, register or sign in to this program at the URL provided in these instructions, then select Program Access. A page will be displayed with instructions for accessing the app.
- You do not need to use an app to access this program on your mobile device. If you prefer, you can simply use your device's browser.
- The mobile app has the advantage of allowing you to complete the program offline (without an internet connection) after you have successfully initialized it to your user profile.
- Numerous Customer Support tools are available for any questions you may have before login as well as within the program. Prior to logging in you will see buttons to retrieve usernames and passwords, and to look up your certificate number. Inside the program, the Help button is available to connect you with a Customer Support Representative.
